

*Students and Parents:*

*I am so excited about the 2011 - 2012! The teachers and staff of Leisure City have planned numerous learning opportunities for your children and YOU! So please utilize this monthly calendar to stay abreast of all the activities that are planned for the month. As we approach the end of the second week of school, I would like to thank the parents and guardians for sending their children to school in uniform, prepared with school supplies and ON TIME! All of these things play an important role in the academic preparation and development of your child. With your support and assistance, I know that this school year will be a great one as we continue to Strive for Success!*
